Statement on Senator Pete V. Domenici's Decision Not To Seek Reelection

October 4, 2007

For over three decades, the citizens of New Mexico have turned to Pete Domenici for leadership on issues that matter to their families, their communities, and their country. He earned the respect and trust of his constituents, which is why they elected him to serve in the United States Senate longer than any other New Mexican in history.

A proud son of Italian immigrants, Pete has devoted much of his life to serving the State and the country that he loves. In Washington, he has won the respect of his peers as a skilled and determined legislator. He championed clean nuclear power and helped secure the passage of the Energy Policy Act of 2005, the first national energy plan in more than a decade. As

chairman of the Senate Budget Committee, he was a leader in efforts to lower taxes, balance the budget, and reduce Washington spending. And he has been a tireless advocate for our men and women in uniform. Senator Domenici has helped improve the lives of millions of Americans and made our country safer.

Pete is a man of intellect and compassion. I have valued his counsel and friendship, and I look forward to working with him as he serves out the remainder of his term.

Laura and I are grateful for Pete's service to our Nation. As he nears retirement, we pray for his health and well-being, and we send Pete, his wife, Nancy, and their family our best wishes.

Statement on House of Representatives Passage of Mortgage Forgiveness Debt Relief Legislation

October 4, 2007

In August, I proposed a comprehensive plan to help homeowners avoid foreclosures and stay in their homes. As part of this plan, I pledged to work with Congress in a bipartisan way to temporarily reform a provision of the Federal Tax Code to make it easier for homeowners to refinance their mortgages during this time of market stress.

Today a bipartisan majority of the House of Representatives passed legislation to help people stay in their homes and move this process forward. I applaud the House's efforts. I urge the Senate to swiftly consider this legislation and make it temporary.

NOTE: The statement referred to H.R. 3648.
